

# Turn Based Games Retries

## Today

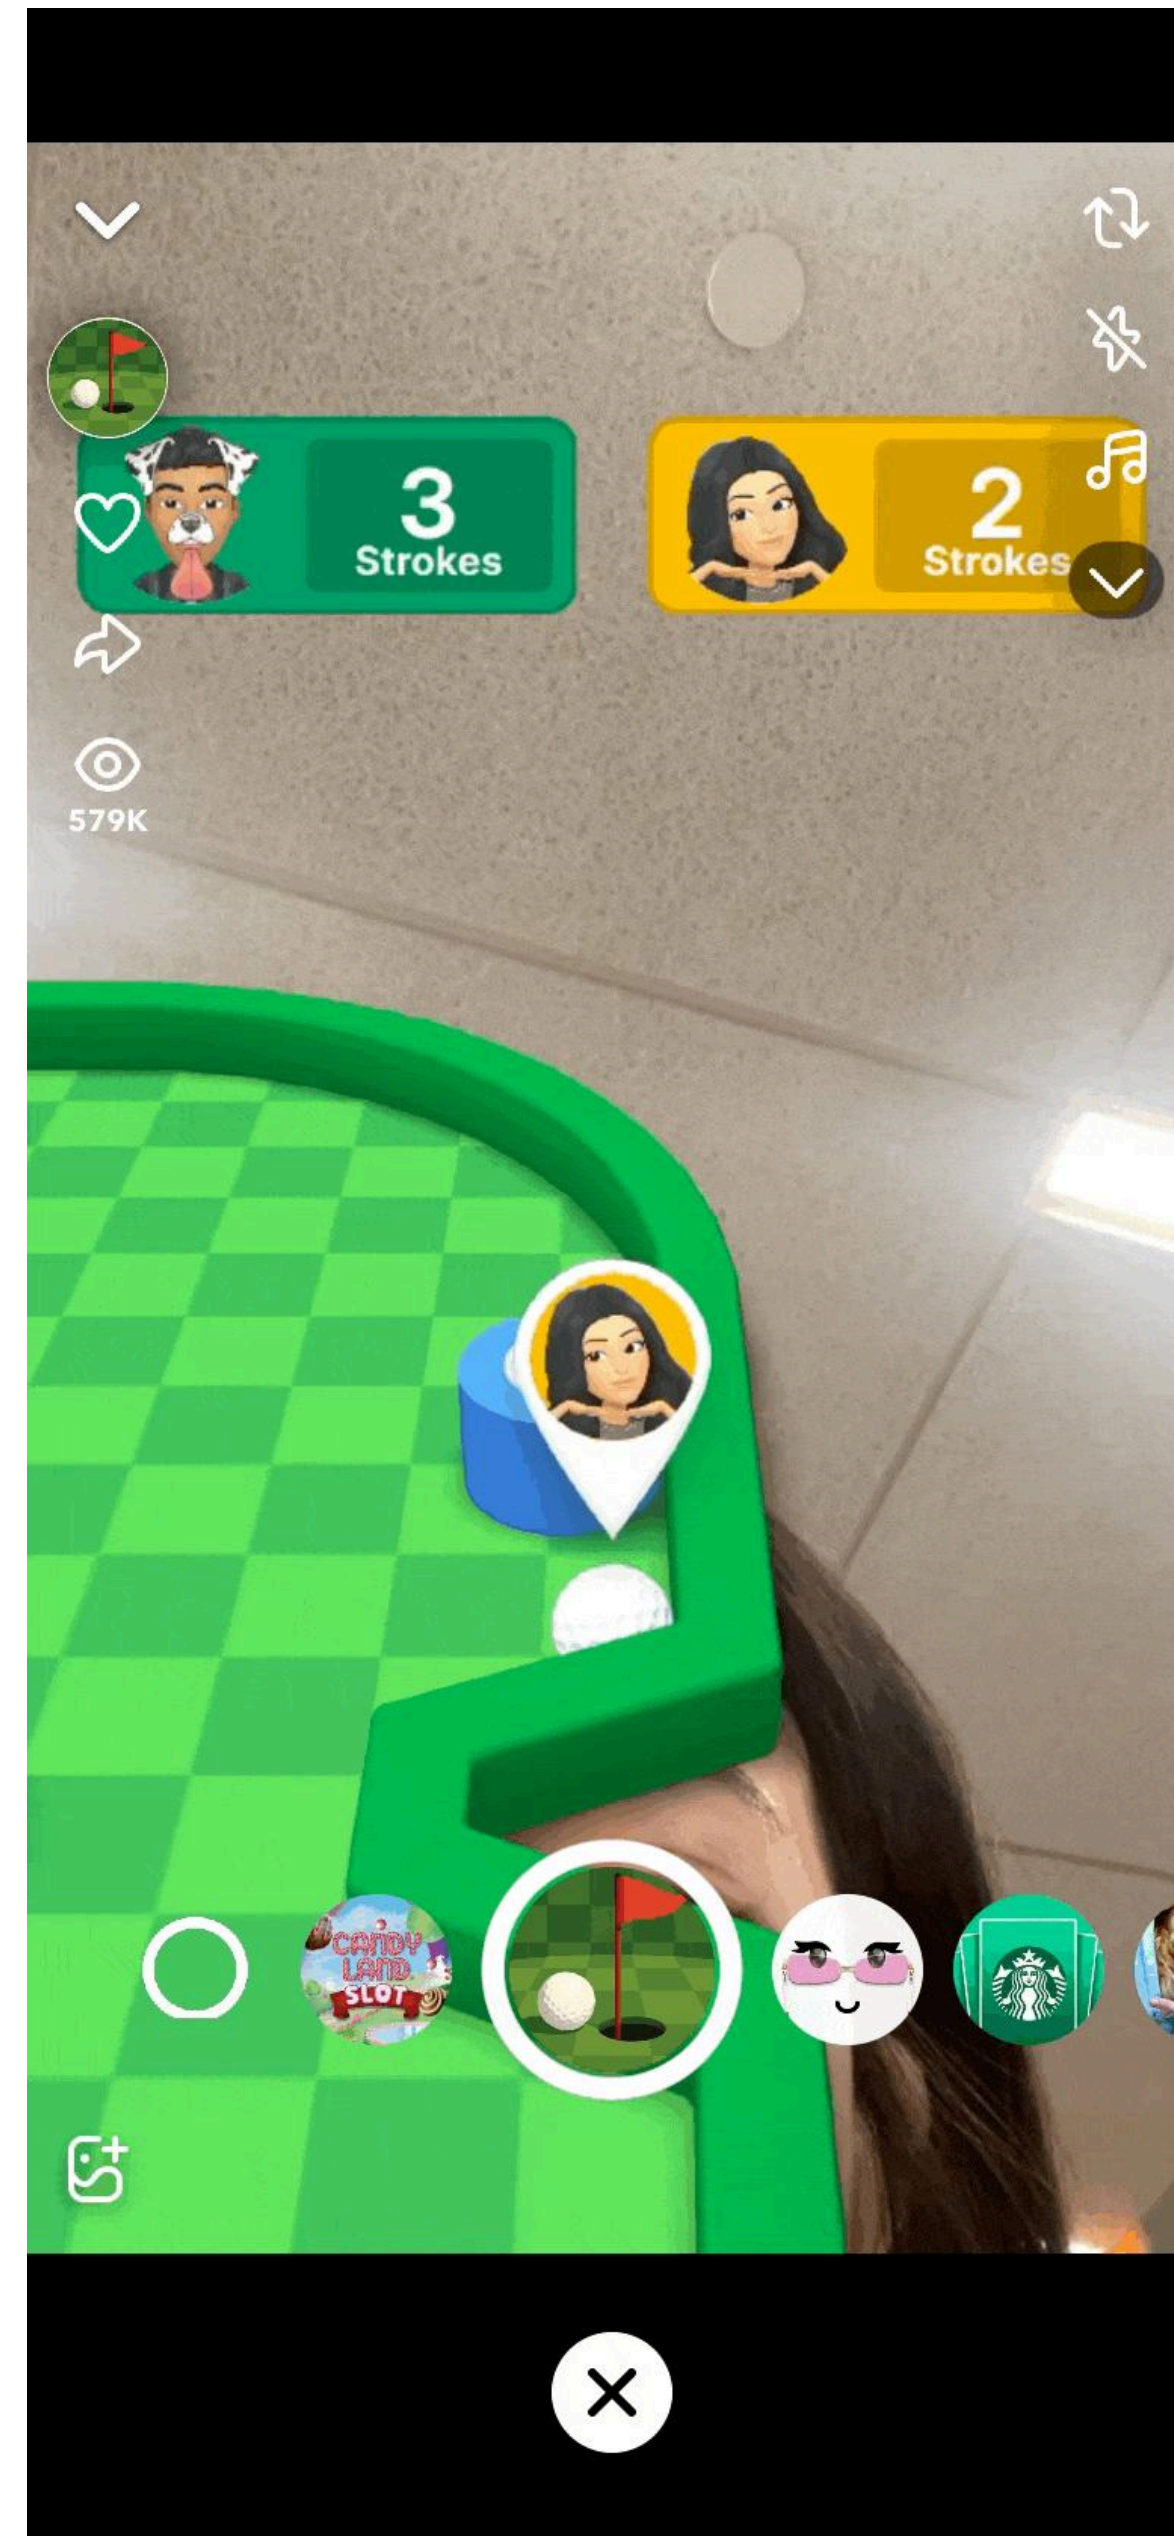

You can discard and retake your turn, which means people can cheat at turn-based games

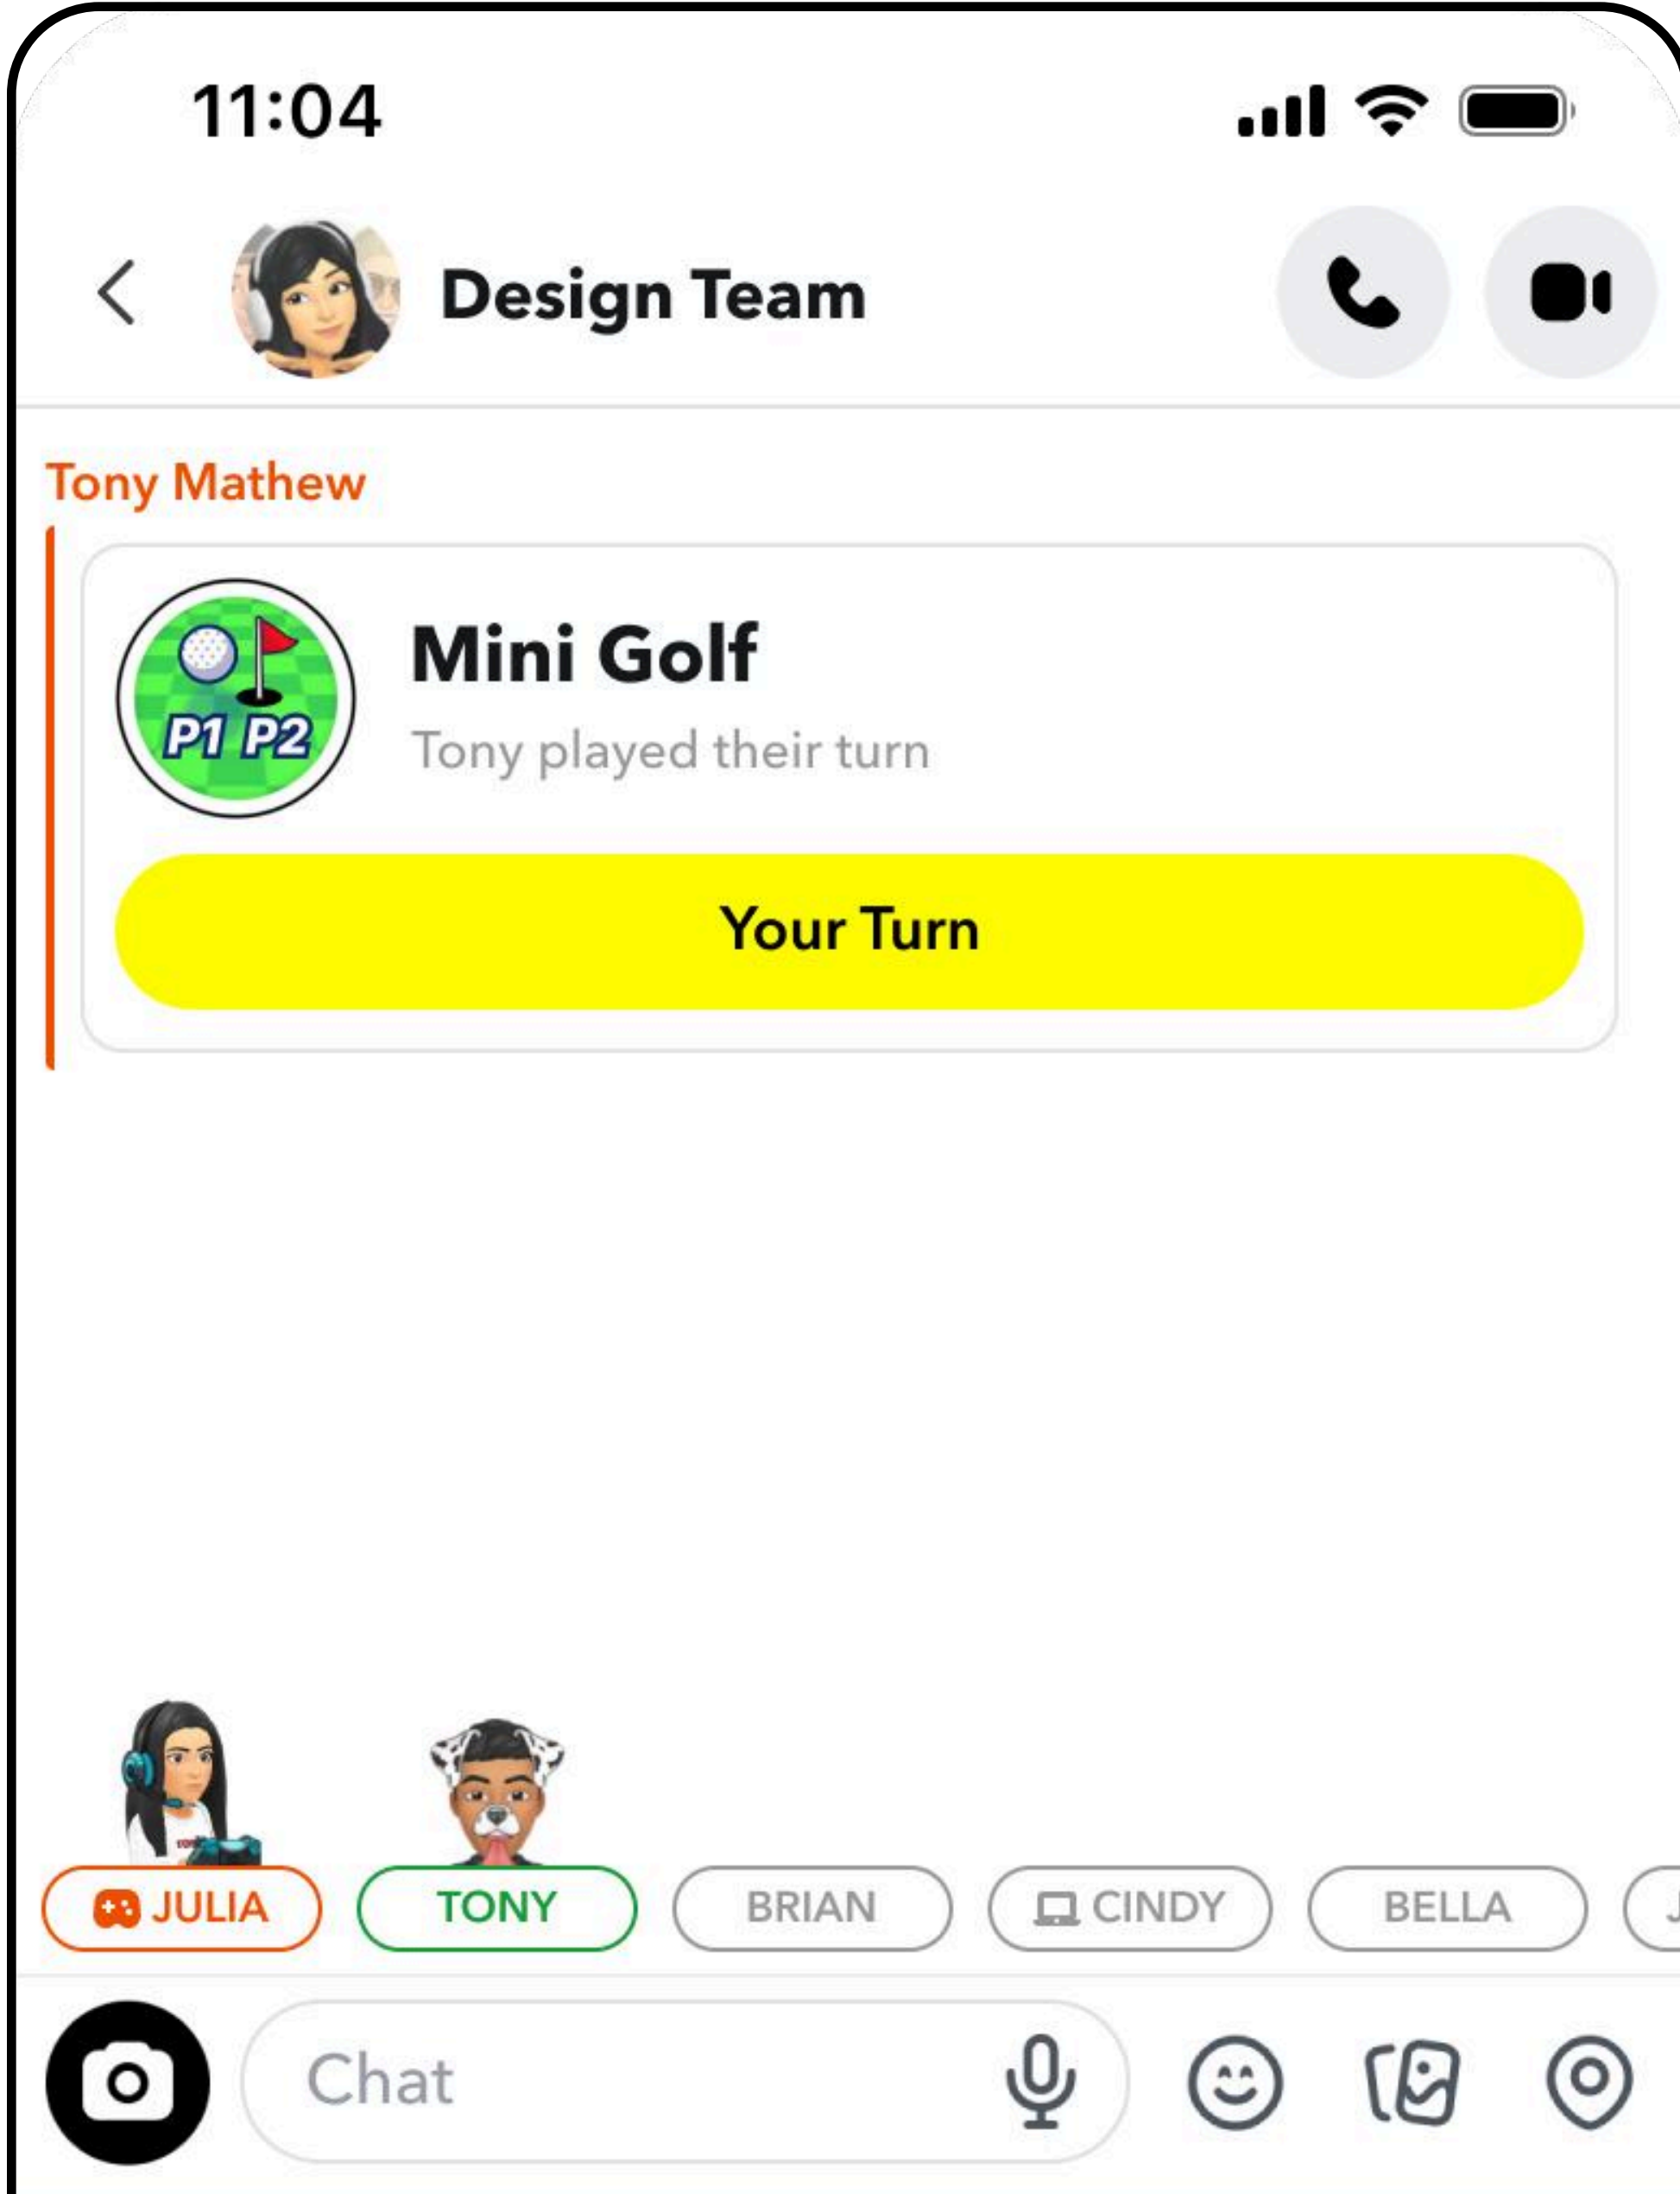

## 1. Block retries to prevent cheating

## 2. Reveal # of tries to discourage cheating

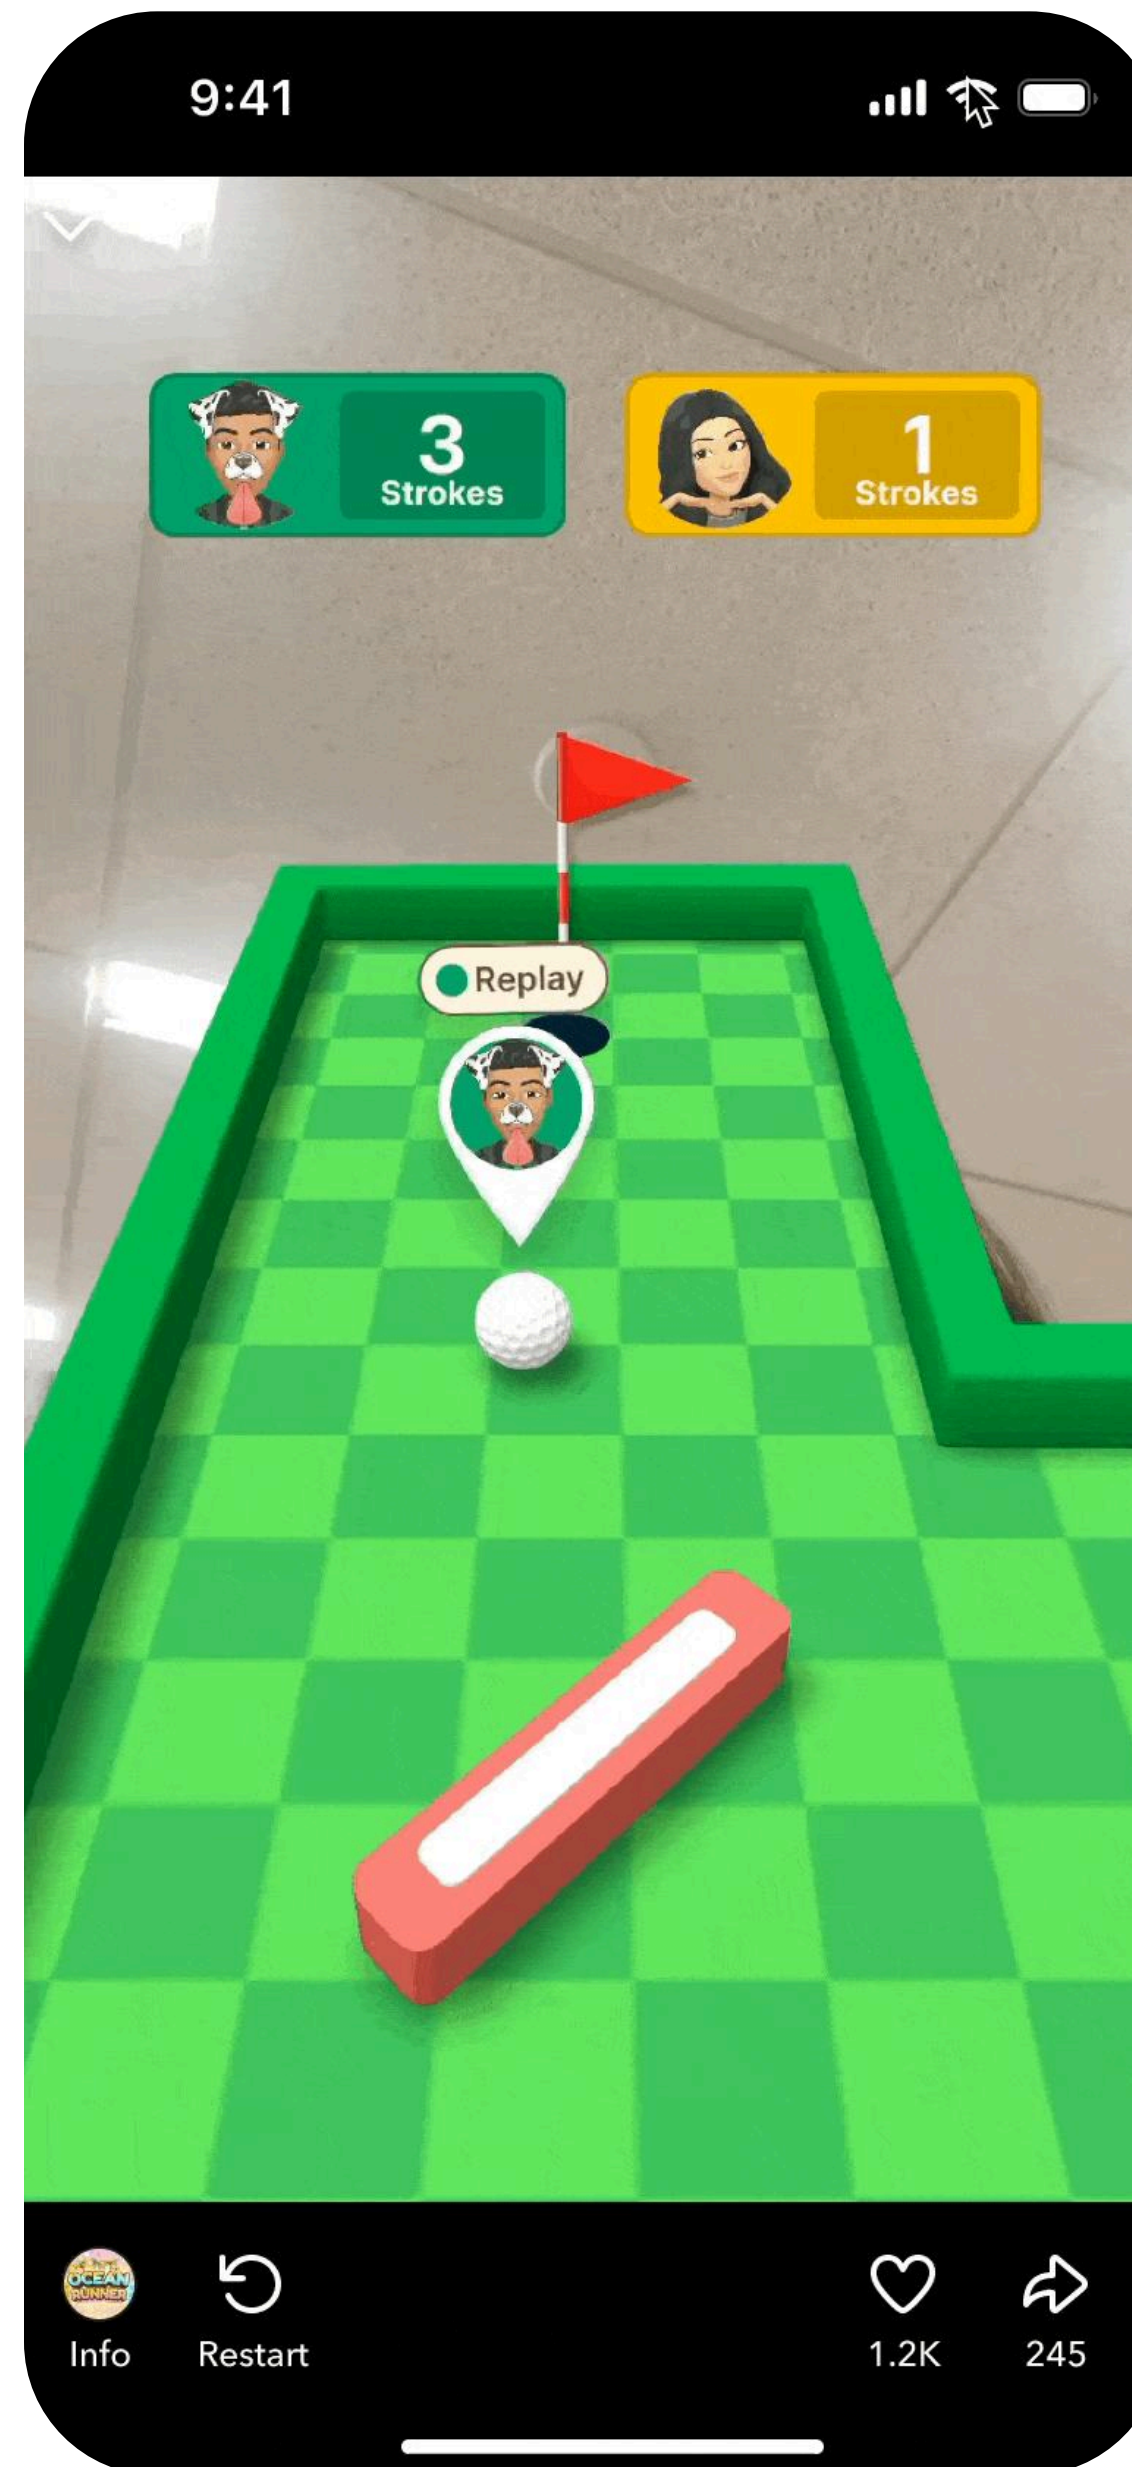

3. Move away from Snapping framework for turn-based (can reuse Live Multiplayer format)

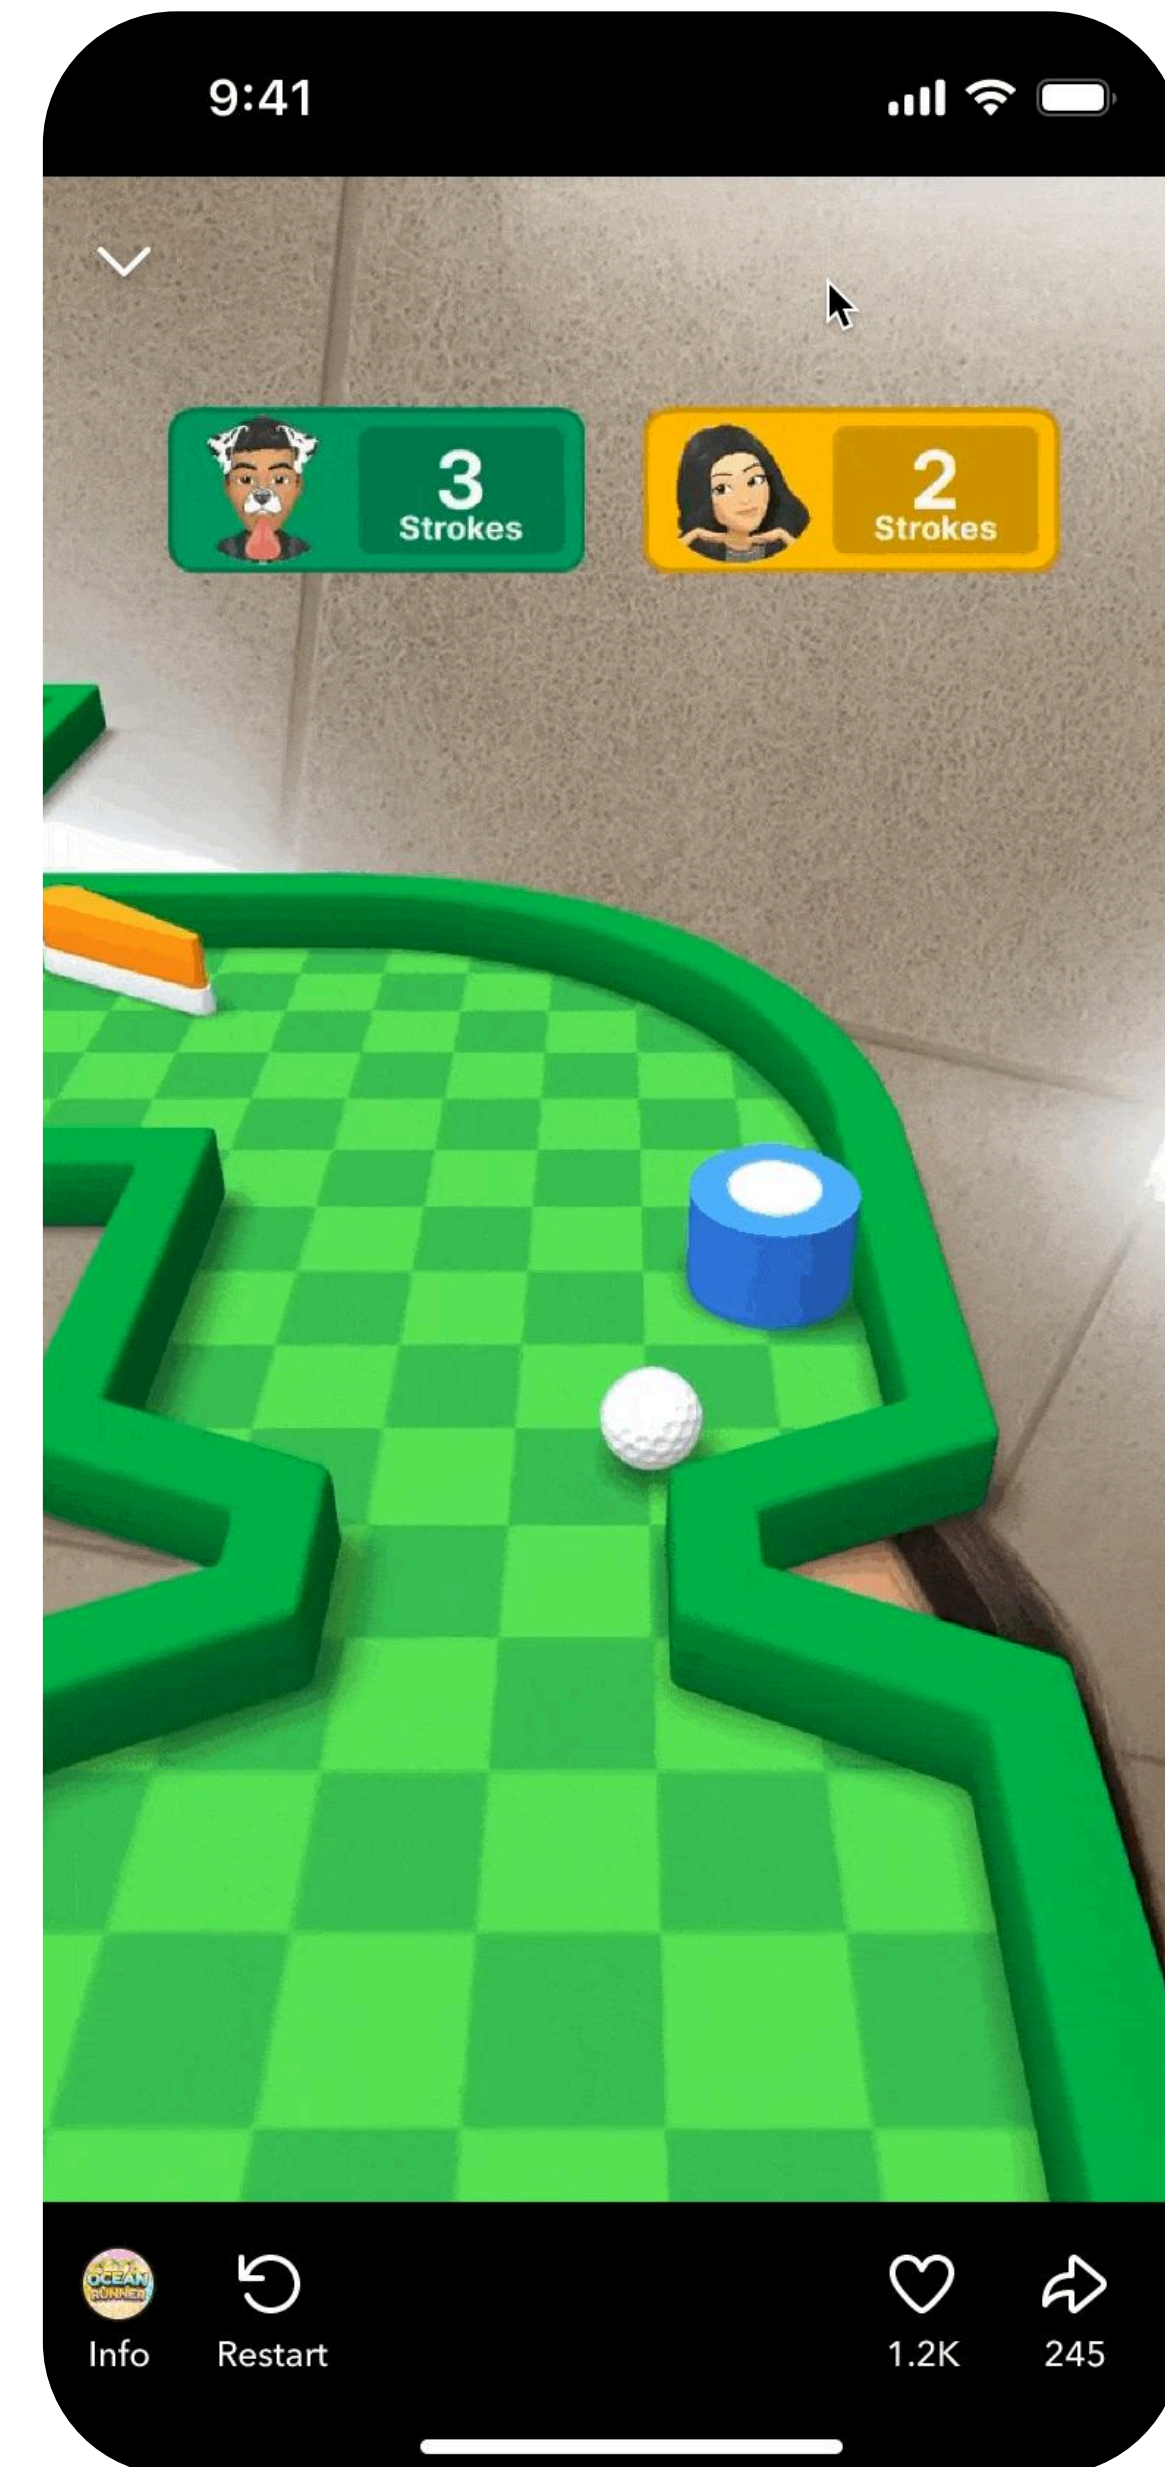

### 3. Turn-based games move away from Snapping framework

\*\*\*Picture this with camera off

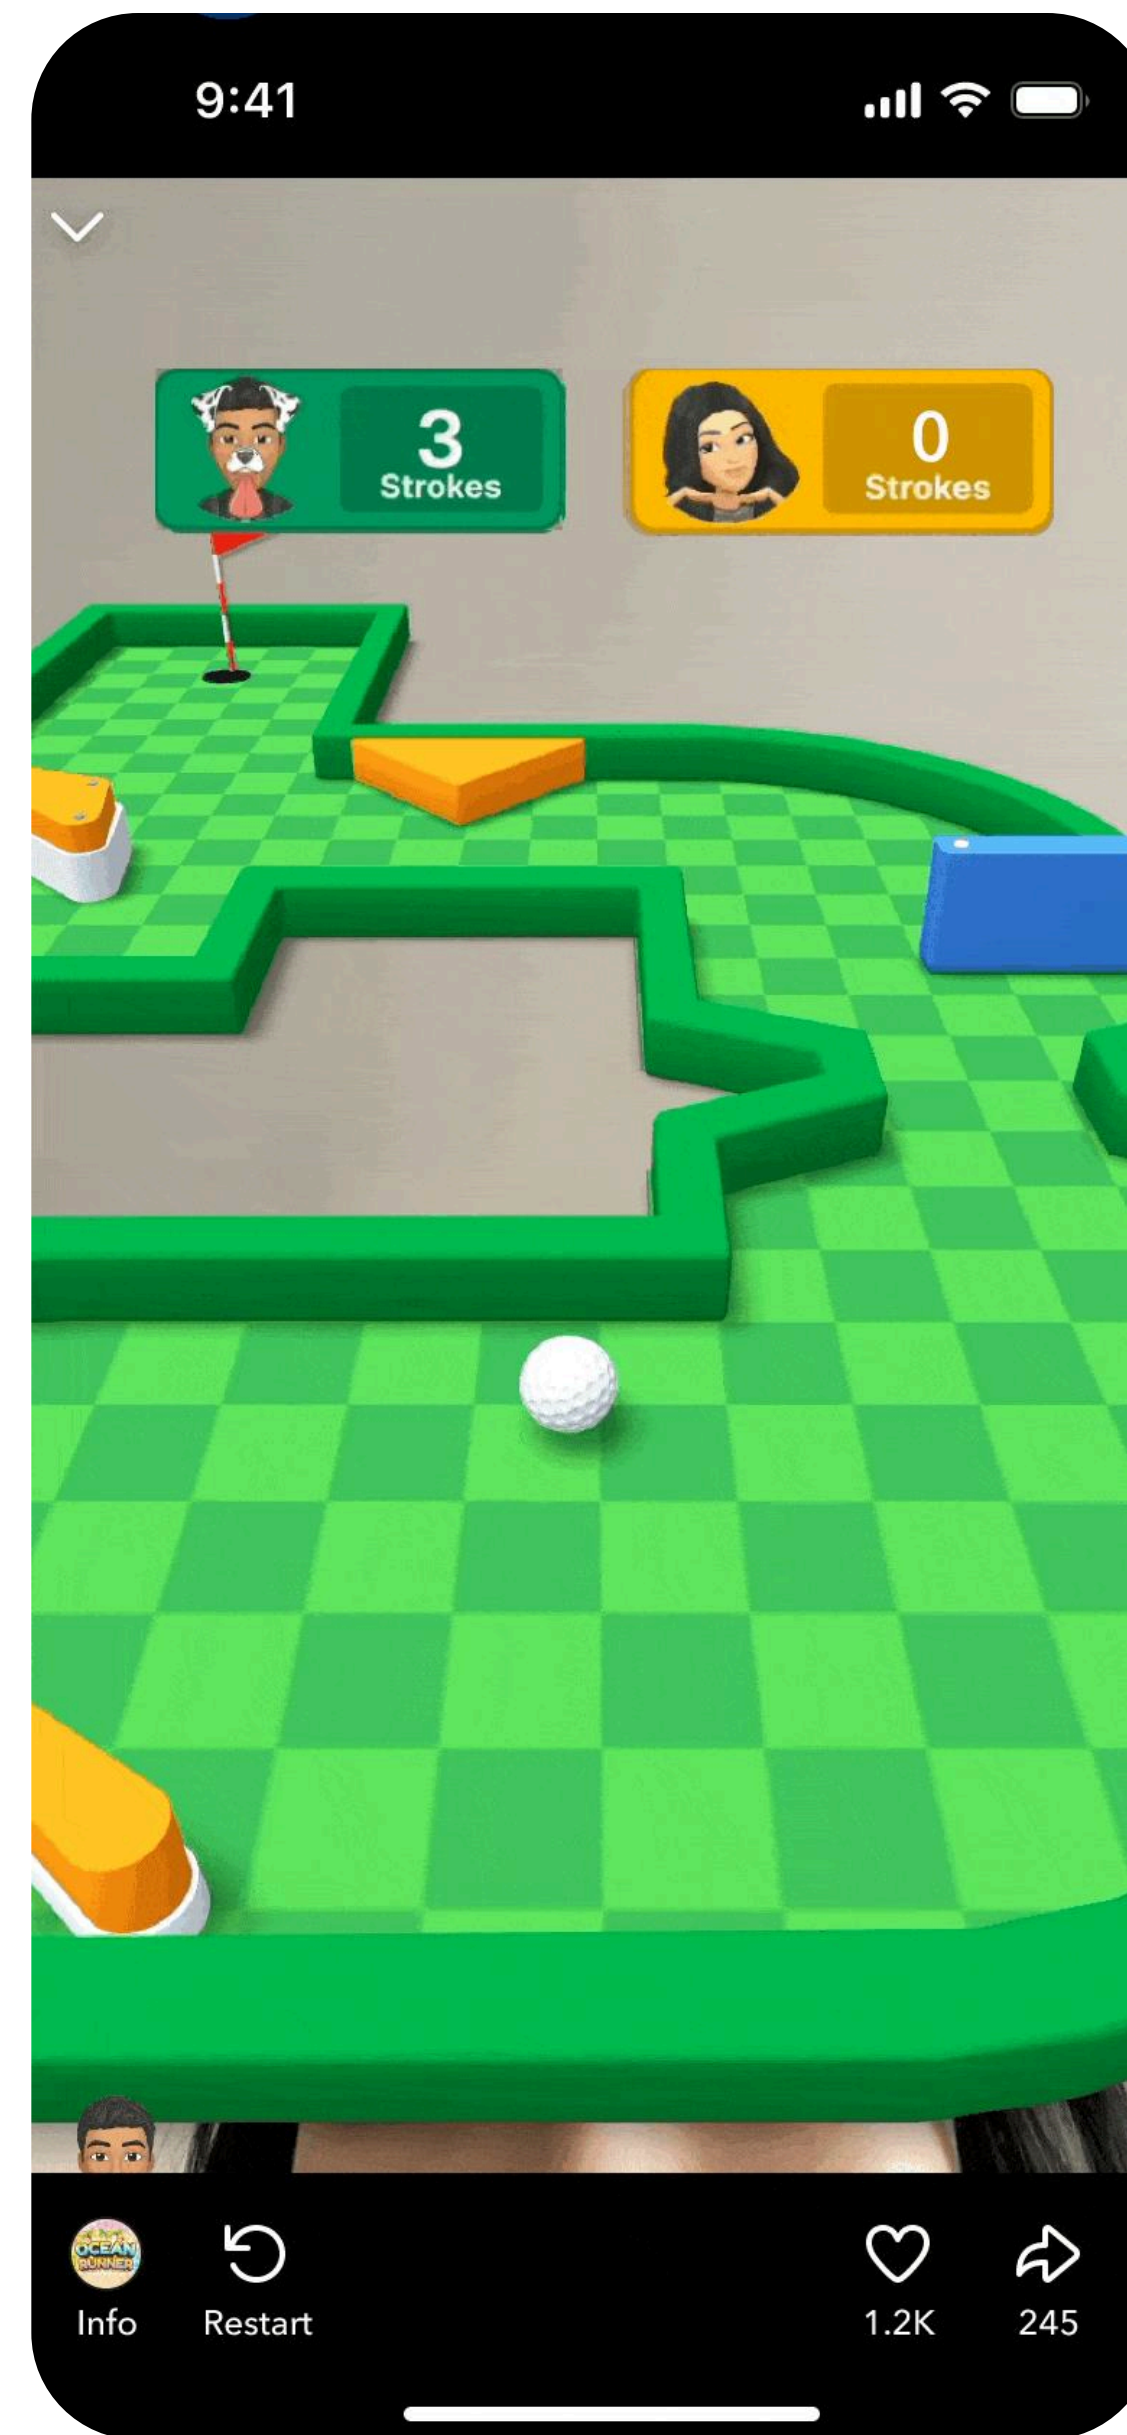

1. I watch a replay of the last turn

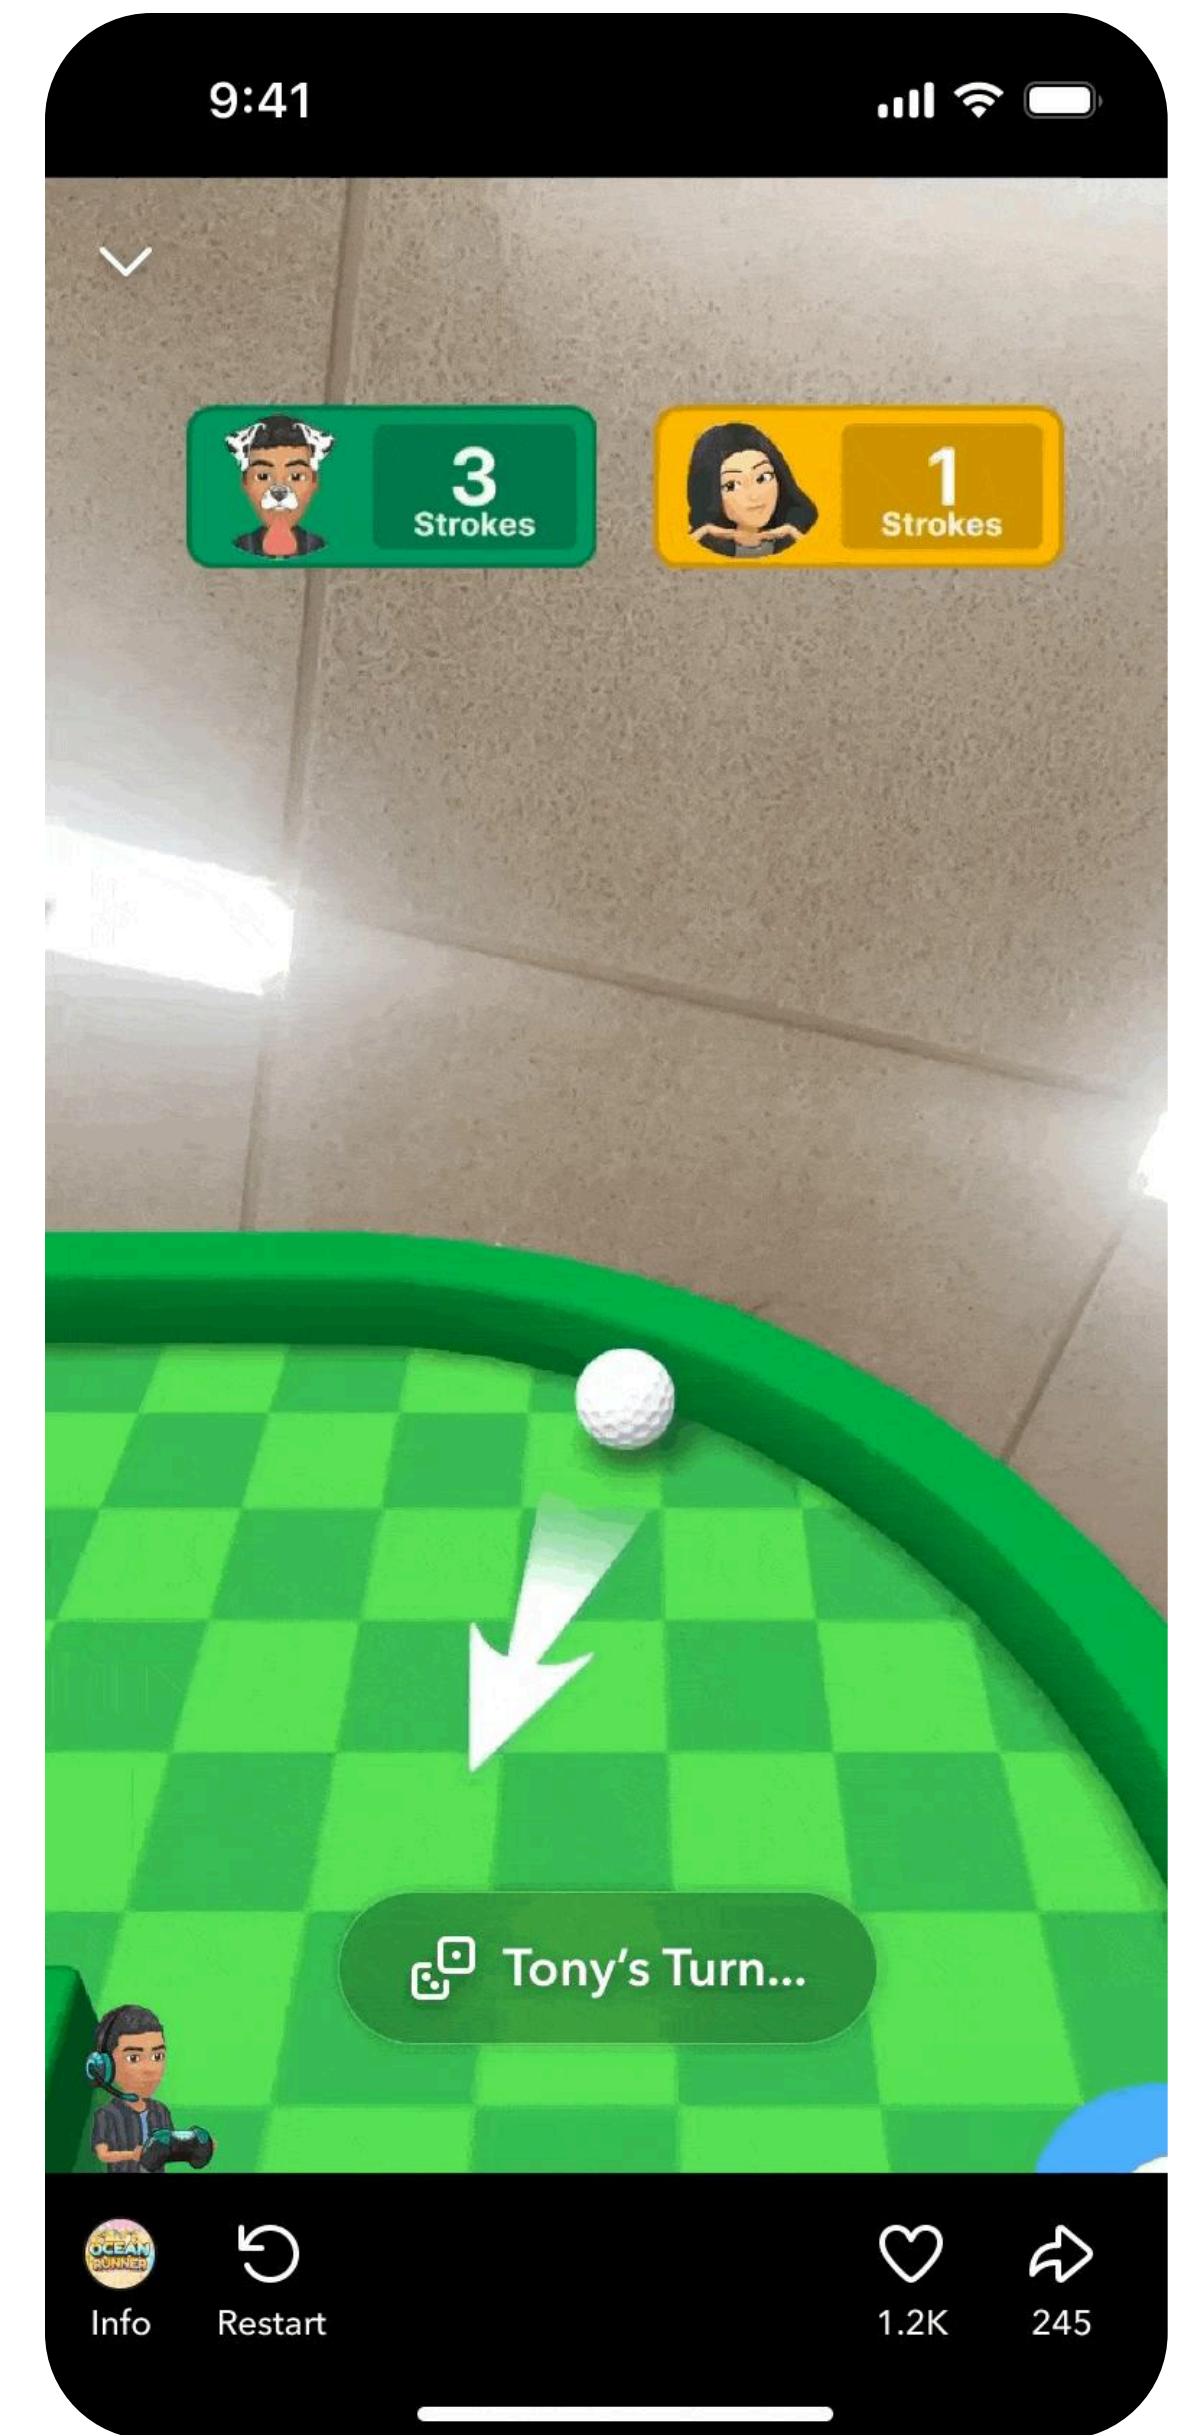

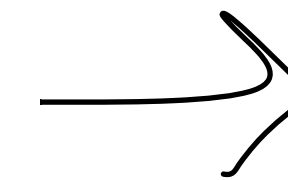

2. I play my turn and it **auto-sends** (pretty standard behavior for turn-based)

## Game becomes live when other players join

\*\*\* Picture this but with camera off

1. I play my turn  
(Tony can watch me play)

2. Auto progress to Tony's turn  
(I can watch)
